Latinx English Enrollment

The following is a ranking of California Community Colleges reflecting the percent of first-time Latinx enrollees placed in transfer-level English. Additionally, this ranking of California Community Colleges reflects equity gaps between Latinx enrollment relative to the campus student body.

- Champion of Equitable Placement
- Equity gap is less than one percentage point
- Equity gap exceeds one percentage point
- College not eligible for consideration, as fewer than 20 Latinx students enrolled in this cohort

College	Latinx Enrollment Percent	College	Latinx Enrollment Percent	College	Latinx Enrollment Percent

Black English Enrollment

The following is a ranking of California Community Colleges reflecting the percent of Black students completing transfer-level English within one year of their initial enrollment in an English course. Additionally, this ranking reflects equity gaps between Black student enrollment in transfer-level English relative to the campus student body.

- Champion of Equitable Placement
- Equity gap is less that one percentage point
- Equity gap exceeds one percentage point
- College not eligible for consideration, as fewer than 20 Black students enrolled in this cohort
- *These colleges have a cohort of less than 10.
